14 RCW 29.36.170, the request may be made orally in person, by telephone,
15 or in writing. An application or request for an absentee ballot made
16 under the authority of any federal statute or regulation shall be
17 considered and given the same effect as ~~((an application))~~ a request
18 for an absentee ballot under this chapter.

19 (2) For any registered voter, ~~((an application))~~ a request for an
20 absentee ballot for a primary shall be honored as ~~((an application))~~ a
21 request for an absentee ballot for the following general election if
22 the voter so indicates ~~((on))~~ in his or her ~~((application))~~ request.
23 For any out-of-state voter, overseas voter, or service voter, ~~((an~~
24 ~~application))~~ a request for an absentee ballot for a primary election
25 shall also be honored as ~~((an application))~~ a request for an absentee
26 ballot for the following general election.

27 (3) A voter admitted to a hospital no earlier than five days before
28 a primary or election and confined to the hospital on election day may
29 apply by messenger for an absentee ballot on the day of the primary or
30 election if a signed statement from the hospital administrator, or

1 designee, verifying the voter's date of admission and status as a
2 patient in the hospital on the day of the primary or election is
3 attached to the ~~((absentee ballot))~~ voter's written application for an
4 absentee ballot.

5 ~~(4) ((An application for an absentee ballot must be signed by the~~
6 ~~registered voter or elector. An application for an absentee ballot by~~

10 ~~An application))~~ In a voter's request for an absentee ballot, the
11 voter shall state the address to which the absentee ballot should be
12 sent. ~~((An application))~~ A request for an absentee ballot from an out-

19 shall state the address at which that voter is currently registered to
20 vote in the state of Washington or the county auditor shall verify such
21 information from the voter registration records of the county.

22 ~~(5) ((An application for an absentee ballot shall be mailed or~~

24 ~~registered or resides. An))~~ A request for an absentee ballot
25 ~~((application))~~ from a registered voter who is within this state shall

30 made either to the appropriate county auditor or to the secretary of

1 state, who shall promptly forward the ((application)) request to the
2 appropriate county auditor. No person, organization, or association
3 may distribute absentee ballot applications within this state that
4 contain any return address other than that of the appropriate county
5 auditor.

6 (6) A person may request an absentee ballot for use by the person
7 as a registered voter and may request an absentee ballot on behalf of
8 any member of that person's immediate family who is a registered voter
9 for use by the family member. As a means of ensuring that a person who
10 requests an absentee ballot is requesting the ballot for only that
11 person or a member of the person's immediate family, the secretary of
12 state shall adopt rules prescribing the circumstances under which an
13 auditor: May require a person who requests an absentee ballot to
14 identify the date of birth of the voter for whom the ballot is
15 requested; and may deny a request which is not accompanied by this
16 information.

17 **Sec. 30.** RCW 29.36.013 and 1987 c 346 s 10 are each amended to
18 read as follows:

19 Any disabled voter or any voter over the age of sixty-five may
20 apply, in writing, for status as an ongoing absentee voter. Each such
21 voter shall be granted that status by his or her county auditor and
22 shall automatically receive an absentee ballot for each ensuing
23 election for which he or she is entitled to vote and need not submit a
24 separate ((application)) request for each election. Ballots received
25 from ongoing absentee voters shall be validated, processed, and
26 tabulated in the same manner as other absentee ballots.

27 Status as an ongoing absentee voter shall be terminated upon any of
28 the following events:

29 (1) The written request of the voter;

Sec. 31. RCW 29.36.030 and 1987 c 346 s 11 and 1987 c 295 s 9 are each reenacted and amended to read as follows:

~~((Upon receipt of a signed application for an absentee ballot from a registered voter, the county auditor shall verify the applicant's signature.))~~ If the ~~((application))~~ information contained in a request for an absentee ballot received by the county auditor is complete and correct and the applicant is qualified to vote under federal or state law, the county auditor shall issue an absentee ballot for the primary or election for which the absentee ballot was requested. Otherwise, the county auditor shall notify the applicant of the reason or reasons why the ~~((application))~~ request cannot be accepted.

At each general election in an even-numbered year, each absentee voter shall also be given a separate ballot containing the names of the candidates that have filed for the office of precinct committee officer unless fewer than two candidates have filed for the same political party in the absentee voter's precinct. The ballot shall provide space for writing in the name of additional candidates.

When mailing an absentee ballot to a registered voter temporarily outside the state or to an out-of-state voter, overseas voter, or service voter, the county auditor shall send a copy of the state voters' and candidates' pamphlet with the absentee ballot. The county auditor shall mail all absentee ballots and related material to voters outside the territorial limits of the United States and the District of Columbia under 39 U.S.C. 3406.

1 **Sec. 32.** RCW 29.36.060 and 1987 c 346 s 14 are each amended to
2 read as follows:

3 The opening and subsequent processing of return envelopes for any
4 primary or election may begin on or after the tenth day prior to such
5 primary or election. The opening of the security envelopes and
6 tabulation of absentee ballots shall not commence until after 8:00
7 o'clock p.m. on the day of the primary or election.

8 After opening the return envelopes, the county canvassing board
9 shall place all of the ballot envelopes in containers that can be
10 secured with numbered seals. These sealed containers shall be stored
11 in a secure location until after 8:00 o'clock p.m. of the day of the
12 primary or election. Absentee ballots that are to be tabulated on an
13 electronic vote tallying system may be taken from the inner envelopes
14 and all the normal procedural steps may be performed to prepare these
15 ballots for tabulation before sealing the containers.

16 The canvassing board shall examine the postmark, statement, and
17 signature on each return envelope containing the security envelope and
18 absentee ballot. They shall verify that the voter's signature is the
19 same as that ~~((on))~~ in the ~~((original application by))~~ registration
20 files for that voter. For absentee voters other than out-of-state
21 voters, overseas voters, and service voters, if the postmark is
22 illegible, the date on the return envelope to which the voter attests
23 shall determine the validity, as to the time of voting, of that
24 absentee ballot under this chapter. For ~~((out-of-state voters,~~
25 ~~overseas voters, and service))~~ any absentee voter((s)), a variation
26 between the signature of the voter on the return envelope and that
27 ~~((on))~~ in the ~~((application))~~ registration files due to the
28 substitution of initials or the use of common nicknames is permitted so
29 long as the surname and handwriting are clearly the same.

1 **Sec. 33.** RCW 29.36.097 and 1987 c 346 s 17 are each amended to
2 read as follows:

3 Each county auditor shall maintain in his or her office, open for
4 public inspection, a record of the ~~((applications))~~ requests he or she
5 has received for absentee ballots under this chapter.

6 The information ~~((on))~~ from the ~~((applications))~~ requests shall be
7 recorded and lists of this information shall be available no later than
8 twenty-four hours after their receipt.

9 This information about absentee voters shall be available according
10 to the date of ~~((application))~~ the requests and by legislative
11 district. It shall include the name of each applicant, the address and
12 precinct in which the voter maintains a voting residence, the date on
13 which an absentee ballot was issued to this voter, if applicable, the
14 type of absentee ballot, and the address to which the ballot was or is
15 to be mailed, if applicable.

16 The auditor shall make copies of these records available to the
17 public for the actual cost of production or copying.

18 **Sec. 34.** RCW 29.36.160 and 1987 c 346 s 20 are each amended to
19 read as follows:

20 A person who willfully violates any provision of this chapter
21 regarding the assertion or declaration of qualifications to receive or
22 cast an absentee ballot, unlawfully casts a vote by absentee ballot, or
23 willfully violates any provision regarding the conduct of mail ballot
24 special elections under RCW 29.36.120 through 29.36.139 is guilty of a

8 or working outside the continental United States; and

9 (b) The voter believes that she or he will be unable to vote and
10 return a regular absentee ballot by normal mail delivery within the
11 period provided for regular absentee ballots.

12 The application for a special absentee ballot may not be filed
13 earlier than ninety days before the applicable state primary or general
14 election. The special absentee ballot shall list the offices and
15 measures, if known, scheduled to appear on the state primary or general
16 election ballot. The voter may use the special absentee ballot to
17 write in the name of any eligible candidate for each office and vote on
18 any measure.

19 (2) With any special absentee ballot issued under this section, the
20 county auditor shall include a listing of any candidates who have filed
21 before the time of the application for offices that will appear on the
22 ballot at that primary or election and a list of any issues that have
23 been referred to the ballot before the time of the application.

24 (3) Write-in votes on special absentee ballots shall be counted in
25 the same manner provided by law for the counting of other write-in

27 absentee ballots provided under this section in the same manner as
28 other absentee ballots under chapters 29.36 and 29.62 RCW.

29 (4) A voter who requests a special absentee ballot under this
30 section may also (~~((make application for))~~) request an absentee ballot

1 under RCW 29.36.010. If the regular absentee ballot is properly voted
2 and returned, the special absentee ballot shall be deemed void and the
3 county auditor shall reject it in whole when special absentee ballots
4 are canvassed.

5 **Sec. 36.** RCW 29.64.020 and 1987 c 54 s 5 are each amended to read
6 as follows:

7 An application for a recount shall state the office for which a
8 recount is requested and whether the request is for all or only a
9 portion of the votes cast in that jurisdiction of that office. The
10 person filing an application shall, at the same time, deposit with the
11 county canvassing board or secretary of state, in cash or by certified
12 check, a sum equal to five cents for each ballot cast in the
13 jurisdiction or portion of the jurisdiction for which the recount is
14 requested as security for the payment of any costs of conducting the
15 recount. These charges shall be determined by the county canvassing
16 board or boards under RCW 29.64.060.

17 ~~((Promptly after the filing of an application for a recount or the~~
18 ~~receipt of a request from the secretary of state to conduct a~~
19 ~~recount,))~~ The county canvassing board shall determine a time and a
20 place or places at which the recount will be conducted. This time
21 shall be less than five days after the day upon which: The application
22 was filed with ((or)) the board; the request ((from the secretary of
23 state)) for a recount or directive ordering a recount was received by
24 the ((county canvassing)) board from the secretary of state; or the
25 returns are certified which indicate that a recount is required under
26 RCW 29.64.015 for an issue or office voted upon only within the county.
27 The county auditor shall mail a notice of the time and place of the
28 recount to the applicant or affected parties and, if the recount
29 involves an office, to any person for whom votes were cast for that

1 office. The notice shall be mailed by certified mail not less than two
2 days before the date of the recount. Each person entitled to receive
3 notice of the recount may attend, witness the recount, and be
4 accompanied by counsel.

5 Proceedings of the canvassing board are public under chapter 42.30
6 RCW. Subject to reasonable and equitable guidelines adopted by the
7 canvassing board, all interested persons may attend and witness a
8 recount.

9 **Sec. 37.** RCW 29.64.030 and 1990 c 59 s 65 are each amended to read
10 as follows:

11 (1) At the time and place established for a recount, the canvassing
12 board or its duly authorized representatives, in the presence of all
13 witnesses who may be in attendance, shall open the sealed containers
14 containing the ballots to be recounted, and shall recount the votes for
15 the offices or issues for which the recount has been ordered. Ballots
16 shall be handled only by the members of the canvassing board or their
17 duly authorized representatives. Witnesses shall be permitted to
18 observe the ballots and the process of tabulating the votes, but they
19 shall not be permitted to handle the ballots. The canvassing board
20 shall not permit the tabulation of votes for any nomination, election,
21 or issue other than the ones for which a recount was ~~((ordered))~~
22 applied for or required.

23 At the time and place established for a recanvass of the votes cast
24 on voting devices that do not provide an individual record of the
25 choices of each voter, the canvassing board or its duly authorized
26 representatives, in the presence of all witnesses who may be in
27 attendance, shall open the voting devices to be rechecked, and shall
28 verify the votes cast for the offices and issues for which the recount
29 was ordered. Witnesses shall be permitted to watch the recheck of the

1 voting devices. The canvassing board shall not permit the rechecking
2 of votes for any nomination, election, or issue other than the ones for
3 which a recount was ~~((ordered))~~ applied for or required.

4 (2) At any time before the ballots from all of the precincts listed
5 in the application for the recount have been recounted, the applicant
6 may file with the board a written request to stop the recount.

7 If the canvassing board finds that the results of the votes in the
8 precincts recounted, if substituted for the results of the votes in
9 those precincts as shown in the certified abstract of the votes would
10 not change the result for that office or issue, it shall not recount
11 the ballots of the precincts listed in the application for recount
12 which have not been recounted before the request to stop the recount.
13 The canvassing board shall attach a copy of the request to stop the
14 recount to the partial returns of the recount.

15 The recount may be observed by persons representing the candidates
16 affected by the recount or the persons representing both sides of an
17 issue that is being recounted. The observers may not make a record of
18 the names, addresses, or other information on the ballots, poll books,
19 or applications for absentee ballots unless authorized by the superior
20 court. The secretary of state or county auditor may limit the number
21 of observers to not less than two on each side if, in his or her
22 opinion, a greater number would cause undue delay or disruption of the
23 recount process.

24 **Sec. 38.** RCW 29.64.070 and 1965 c 9 s 29.64.070 are each amended
25 to read as follows:
